Dear Sirs,

### *New Driveway*

*I wish to thank you for a wonderful job done for us recently.*

*The team were always punctual, tidy, reliable, very friendly, helpful and communicative. These guys really know their stuff and the work was completed to very high professional standards. Please pass on my thanks to them.*

*It is great to see that they took pride in their work and they made us feel that they wanted us to be completely happy with the results.*

*Many villagers have remarked on how good the driveway looks.*

*I have already recommended your company to friends and neighbours!*

*Yours sincerely,*

*Gordon Brown*
