1 June 2002

Dear Glen,
It was good to meet with you at the Gardening Scotland 2002 Show at Ingleston, and to have the opportunity to give our thanks, first hand for the great job carried out by Stoneage Paving.

The work was carried out in a considerate and competent manner, with as little disruption as possible, consequently we have no problem recommending Stoneage paving as a reliable and reputable company

Sincere Thanks

Alex H Lawrie
